

Unit 7 Introduction and Overview

Dates Covered: _____ to _____

Key Concepts: Write out the 3 Primary Key Concepts for this Unit. The Period Key Concepts are available on the classroom website.

Gilder Lehrman Period Overview: Watch and take notes on the primary ideas presented in the Gilder Lehrman unit introduction. This video is posted on our classroom website.

Timeline:

Using Gilder Lehrman (or another site of your choosing), complete a 10-item timeline. For each item, write one brief sentence for why it was significant and space the events accordingly.

_____ (Beginning of Period)

_____ (Conclusion of Period)

Vocabulary

Choose 3 vocabulary words (terms, individuals or ideas mentioned in the introduction) and define them.

1)

2)

3)

Questions

Now that you have been given an introduction to the unit, write out three open-ended questions that you have (and that you would like to learn about during the unit). Make them something you genuinely would like to know about, not something that will please your teacher or that you think relates sufficiently to the Key Concepts.

1)

2)

3)

Abstract

In 3-5 sentences, give a general summary of the material covered in Unit 6
